## Timberman

One of the worlds most addictive mobile apps has been transformed into this captivating skill redemption game!

With more than 30 million mobile players worldwide, Timberman is a clever game that will chop down the competition!

- HD Graphics Displayed on a 42" Monitor
- LED Illuminated Cabinet and Marquee
- Programmable Difficulty Levels & Rewards
- User-Friendly Interface for Control Settings
- Leaderboard Promotes Competition
- **Includes:** Entropy 2000 Ticket Dispenser and Dual Coin Mechanisms (DBA and Card Swipe Compatible)

## HOW TO PLAY

Players are challenged to chop down a tree by directing the Timberman to swing his axe to "cut right" or "cut left" with one of two action buttons.
